Interactive eBooks with tracking enabled.

EBooks with tracking is enabled for student. Based on the student accessing the page of E-books, completion of EBook will be determined. Reports will be available for teacher to track the overall usage and Completion status of each student.

For student against each eBook completion status will be displayed.

Parent is also enabled to view the tracking of eBook, done by student.

Teacher Reports –

All tracking will happen only if the student has accessed the tools and the page is marked as completed which will be appearing in bottom of the page.
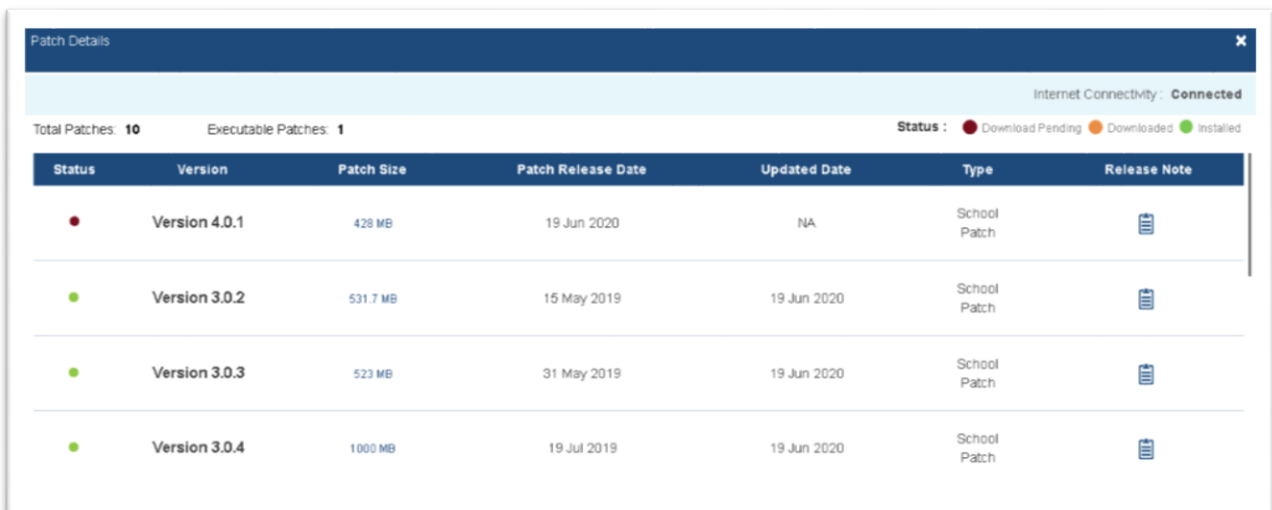

Patch Execution

There are two ways to download the patch.

Download on School Server-

If school server is connected to internet, please download and install from oxford advantage school server using school admin login as below.

Note: Please make sure you replicate the data from cloud to school to get the latest updates.

Download on any computer-

If there is no internet connectivity on the school server, school admin/teacher can download the patch from the public path in any computer/laptop which is connected to internet from the path given below.

https://oxfordadvantage.co.in/schoolpatchinstaller/index1.html

3.0.4	1000 MB	19-July-2019	school patch			(Reference Video)
3.0.5	810 MB	19-July-2019	school patch			(Reference Video)
3.0.6	8 MB	31-July-2019	school patch			(Reference Video)
3.0.7	517 mb	09-nov-2019	school patch			(reference video)
3.0.8	363 MB	09-Dec-2019	school patch			(Reference Video)
4.0.0	51.6 MB	24-Feb-2020	school patch			(Reference Video)
4.0.1	428 MB	19-Jun-2020	school patch			(Reference Video)

Steps to Install Patch –

Please follow the steps below to install the Patch 4.0.1. (Please refer to help video for any support related to patch installation as highlighted below).

Step-1 Click on download icon against patch **Version 4.0.1** in the Download Patch column as highlighted below.

3.0.4	1000 MB	19-July-2019	school patch			(Reference Video)
3.0.5	810 MB	19-July-2019	school patch			(Reference Video)
3.0.6	8 MB	31-July-2019	school patch			(Reference Video)
3.0.7	517 mb	09-nov-2019	school patch			(reference video)
3.0.8	363 MB	09-Dec-2019	school patch			(Reference Video)
4.0.0	51.6 MB	24-Feb-2020	school patch			(Reference Video)
4.0.1	428 MB	19-Jun-2020	school patch			(Reference Video)

Step-2 Download patch can be accessed in the download folder of the Browser.

(Press **Ctrl+J** to go to browser download folder.)

Step-3 Close the Oxford Advantage application and Browser.

Step-4 Go to downloaded path or double click on the **oxford_Advantage_Patch_4.0.1.msi** shown in the browser.

Installation Wizard screen appears, please follow on-screen commands.

Click '**Next'**
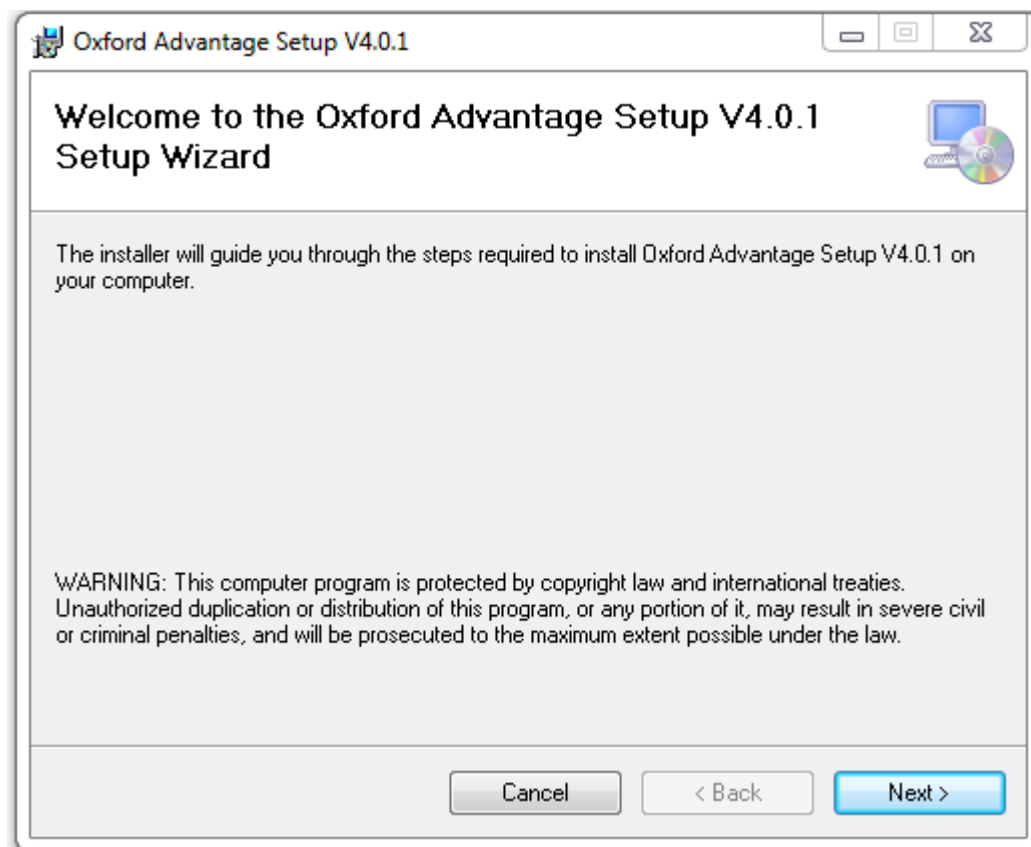

Please select the valid drive as per the previous installed application.

Ex- C:\\ Drive or D:\\ Drive. Or any available drive having memory space.

Click '**Next'**

Installation is in progress, please follow on screen commands.

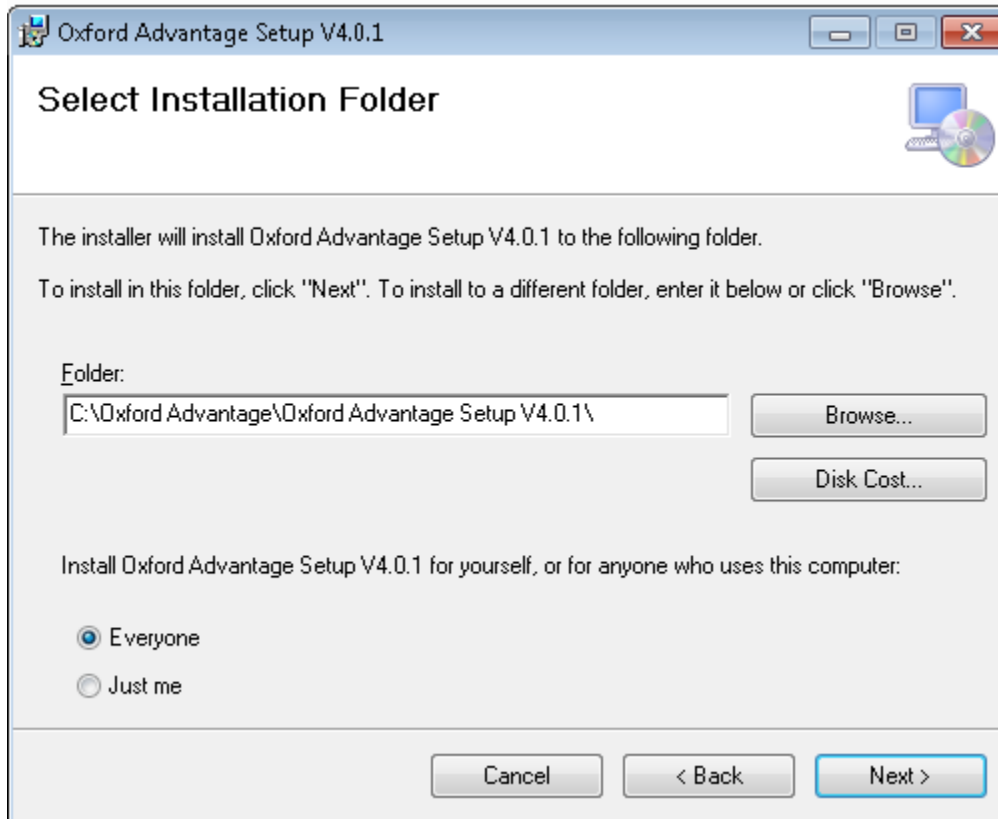

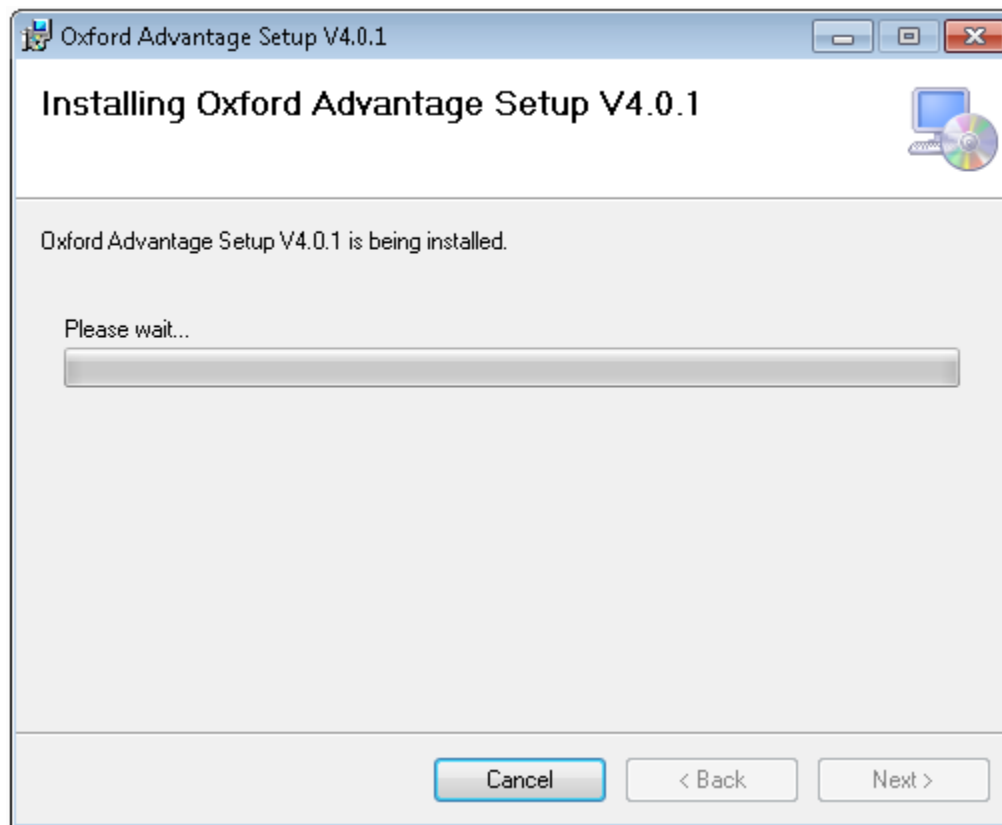

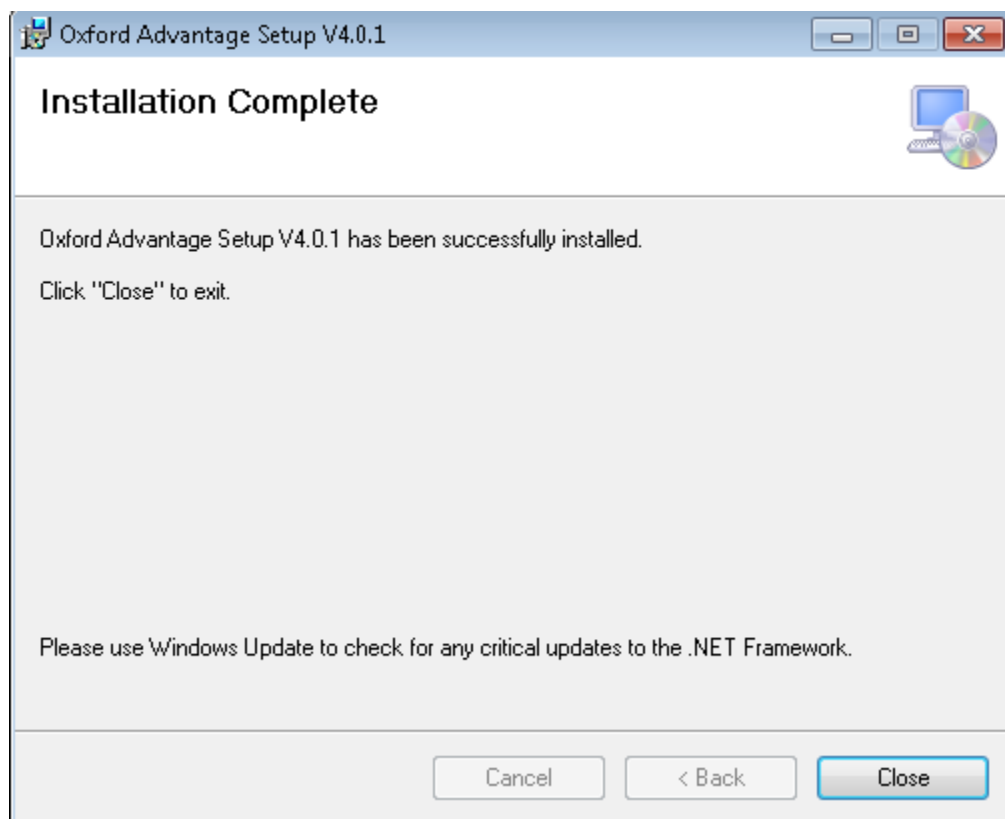

Click **Close** to complete the installation process.

**Step 5** – Open the Browse and clear Browser cache. Press CTRL+SHIFT+DEL.

Step 6 – Browse application URL.

Steps for content copy using Batch file –

Note- The old version of CopyResource util can be used to copy the new content of class I & II.

Batch File application is used to copy the Class content to specific locations (OA_Resources)

1. Copy the batch files in any of the File folder
2. Copy the content zip files of Class I & Class II in any of the file folder.
3. Open the Batch file folder and double click on **CopyOAResources.exe** application file.
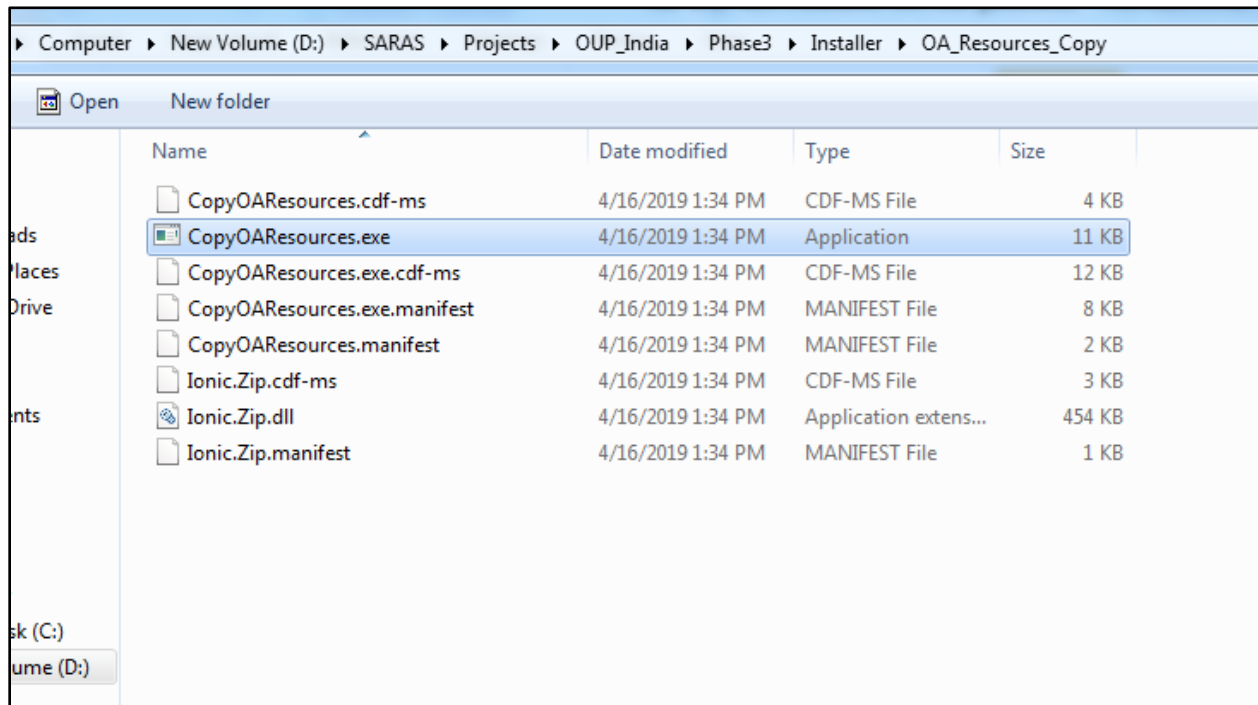

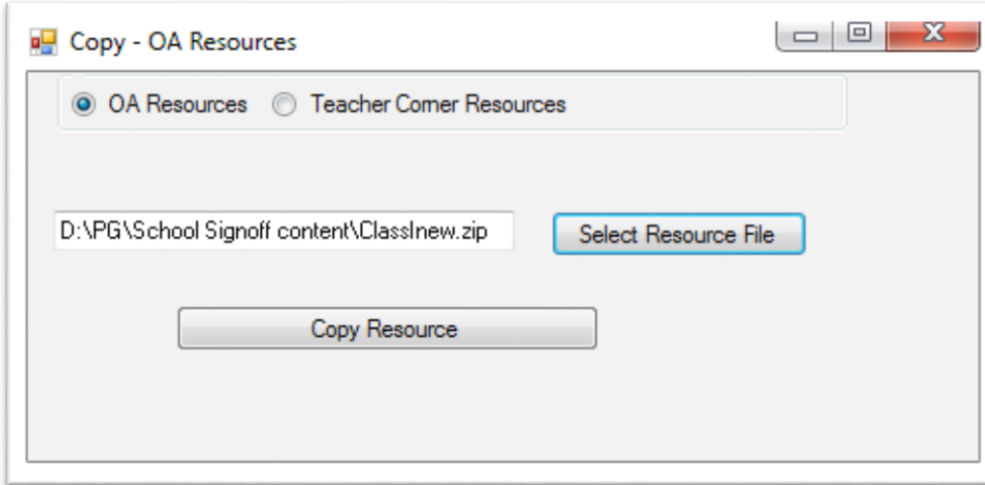

4. Batch application for content copy will be opened as given below.

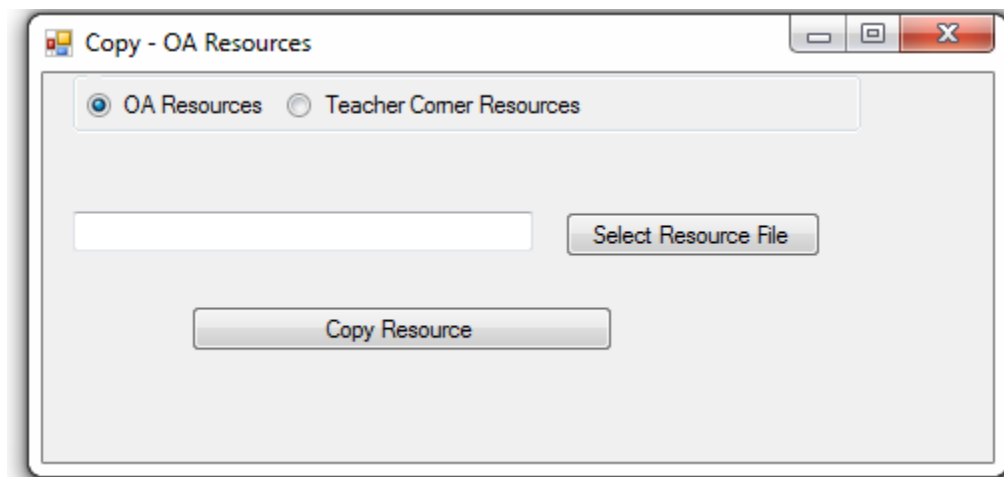

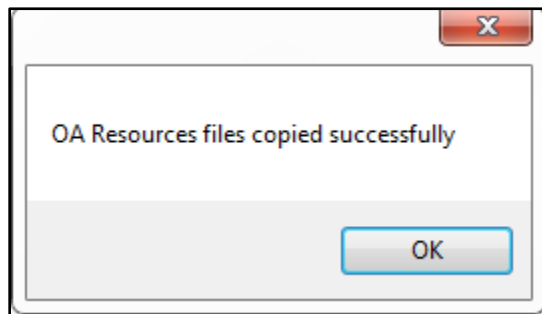

Download required content files from above mentioned links –

5. Browse through the file system by clicking Select Resource File Button and select the content zip file.
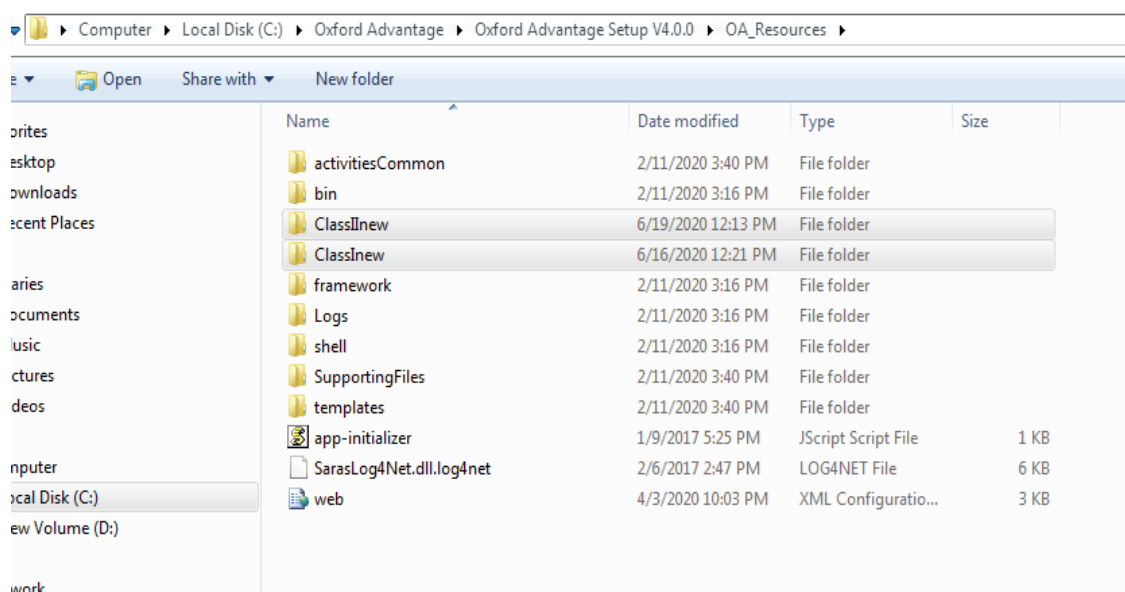

6. After selection click on Copy Resource button.

7. Success message will be displayed.

8. After successful copy, please make sure all the contents are copied properly in OA_Resources section.

Known Issues –

Interactive eBook tracking is not supporting in chrome 80 and above.

Steps to Un-install existing Offline Sync tool

Step 1- Go to control panel.

Step 2 - Click on Programs and features.

Step 3 - Right click on the Oxford Advantage – Replication Tool wizard.

Step 4 – Select uninstall and click on it.
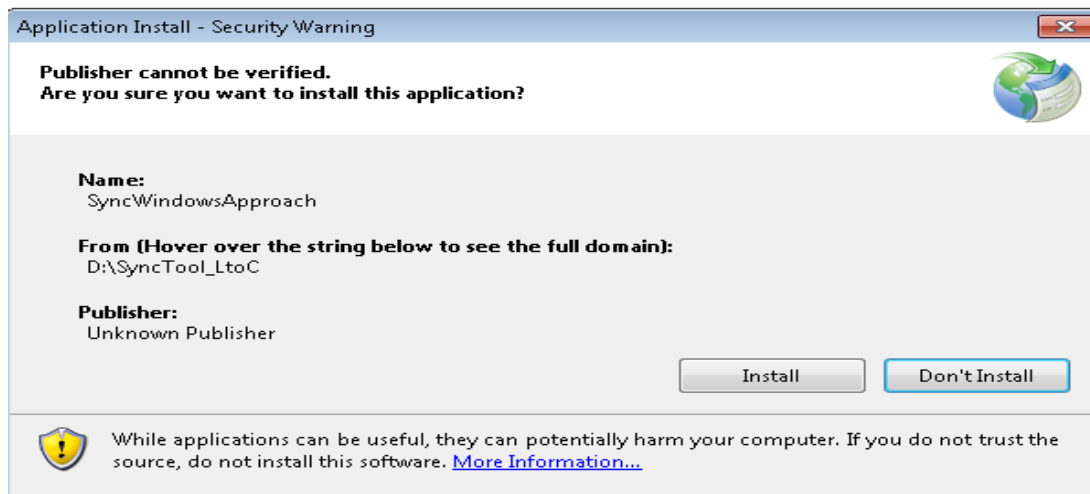

Steps to install Offline Sync tool

Step 1:   Copy the given published code files from the below mentioned S3 path to your system.

https://es-k12assets.s3.amazonaws.com/OxfordAdvantage/OffineSynctool.zip

Step 2: Install the setup.exe by double click on it in administrator mode.
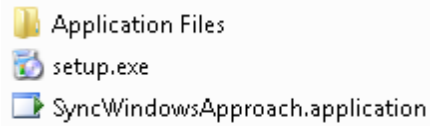

Step 3: During installation below wizard will be shown. So please click on Install button.

Step 4: After click on Install button, Offline tool will get installed.
